Amateur radio station
W 9 O K N
owned and operated by
ROBERT S. DIXON
takes great pleasure in confirming a recent QSO with fellow amateur radio station

K9BTQ/M

Hello. Your 3.9 megacycle ~~cw~~ fone signals were RST 59 at 1657 GMT on

Dec. 9, 1962

At the time of our QSO I was using,
Transmitter: DX-100
Receiver: SX-99, Q Multiplier
Antenna: Inverted Vee
End fed rain gutter
40 meter vertical beam
(CQ Magazine, July 1962)

Hallicrafters TO Keyer

Here's my QSL; How about sending yours along to 502 Toepfer Ave., Madison 11, Wis.?

Thanks for your QSL; Here's mine.

Bob

Like you did well, Tom.
